She also gave us a brief history of St. Rose Venerini; later Emma shared her secret on how she is fortified: every Monday night she listens to The Journey Home (on EWTN), with testimonies of adults who separated and found their way back home to the Church. She also mentioned her experience at the 80th Deanery of CCW convention in Warner Robins and lastly, she invited all to attend the summer study on the Psalms at Catholic Focus classes.
- Unfinished Business
 - Survey Status –on hold, Gerry was not present.
 - Ministry Talks at mass- Lisa will speak next (May-June) on the VBS for this year.
 - Welcoming Ministry- all set for May 19 with the help of CCW.
 - Spiritual Growth- there was a good discussion regarding how to promote spiritual growth in our parish. The brainstorming concluded with the following action items: 1) Schedule Evangelization Training/Discipleship Talks with the ministry leaders during the summer, 2) Emphasis on the Small Study groups as a permanent activity and 3) Define a long-term strategy with other ideas/initiatives once the survey feedback is obtained.
 - Small Study Program (The Mass from bishop Barron) to begin until August- September.
- New Business:
 - Carolynn brought up her desire to share the content of the book from Matthew Kelly named: The Biggest Lie in the History of Christianity, which is: Holiness is not possible. She is planning to share it in the catholic focus during the summer, but Carolynn would like to share it with the whole parish.
- Next meeting Tuesday, June 4 at 7 PM.
- Closing prayer – Polo closed with the Glory-be.
- There being no further business the meeting adjourned at 8:24PM

Respectfully submitted: Polo Rodriguez
